Campuses

The University of Zambia has two campuses, namely Great East Road Campus and Ridgeway Campus.

GREAT EAST ROAD CAMPUS
The Main University Campus is situated on the south side of the Great East Road about nine (9) kilometres from the city centre in Lusaka. With an area of about 290 hectares, the campus is on a fairly level site and much of the property has been brought into use for academic and residential purposes. The following schools are located at this main campus; School of Education, School of Law, School of Natural Sciences, School of Humanties and Social sciences, School of Engineering, School of Mines, School of Agricultural Sciences and Samora Machel School of Veterinary Medicine
